**John Barrett**  
Cox Communications

Hello, John:

**An ongoing error and misrepresentation needs to be corrected ASAP.** Presented below is the current Cox Channel Lineup for metro Omaha: <http://ww2.cox.com/residential/omaha/tv/channel-lineup.cox>

The screenshot shows a grid of TV channels under the heading 'Starter TV'. Channel 22 is listed as 'Minority Affairs (Omaha)'. Other channels include On Demand, Cox 2, Home Shopping Network, News 4 You, KMTV - CBS Affiliate, C-SPAN 2, C-SPAN, WOWT - NBC Affiliate, KETV - ABC Affiliate, KPTM - Fox Affiliate, KXVO - CW Affiliate, NET1 - Nebraska PBS, QVC, HBO, NET2 - Nebraska PBS, FYI/Knowledge Network (Omaha), Bellevue TV (Bellevue/Papillion), CBTV (Council Bluffs), TV Classroom (Omaha), Papio Vision (Bellevue/Papillion), Educational Access (Council Bluffs), TV Guide Channel, EWTN, Shop NBC (Bellevue/Papillion/CB), The Commanders Channel (Offutt AFB), Univision, GoScout Homes, TLC, WGN - Chicago, and WTBS - Atlanta.

On a weekly basis, we continue to receive calls from Cox customers as if Cox owns us, constantly referring to CTI22 as a wholly-owned subsidiary of Cox. As you know, this is clearly not the case. The Omaha World Herald typically refers to CTI22 as “. . . Cox’s minority affairs channel.” *CTI22 has never “restricted” its broadcast content to minority affairs, and CTI22 has never prohibited content from non-minorities.* CTI22 is appropriately “diverse” in its content as a direct commitment to broadcast the community. Noticeably absent from the Cox web site or the printed channel guide brochure are indicia or logos particular to any PEG channels, which clearly puts the PEG channels at a “branding” disadvantage when compared to the commercial stations and even public broadcasting.

We immediately request that all references to CTI22 as “Cox’s” minority affairs channel be deleted, and **as with the clear majority of channel postings**, that only the CTI22 logo and the printed name of the station (with a link to our web site) be presented.
