CTI22 proudly broadcasts Omaha's only continuous-play "Community Calendar" at the conclusion of our broadcast day, from 12:30 AM to 4:30 PM, Mondays through Saturdays; and from 12:30 AM to 8:00 AM on Sundays. CTI22 is public-accessible to all of Omaha!

DID YOU KNOW? As reported in April 2010 to the Omaha City Council [<http://www.cti22.org/franchise.htm>], at any given time CTI22's broadcast audience ranges from 13% to 20% of Cox subscribers!

CTI22 broadcasts more of the following content than all other metro area TV stations combined: public service announcements promoting metro Omaha community-based organizations, events, and businesses; more original programming involving elected officials; more original, Omaha-based programming for African-American, Latino, Native American, Asian, and other ethnic groups; and more original, Omaha-based religious programming.

Community Telecast, Inc. (CTI22), [IRS 501 (c)(3)] is the only broadcast cable television company in the metro Omaha area and within 18 states to focus on the community. **CTI22 receives NO tax support from the federal government, State of Nebraska, City of Omaha, or Franchise Fees from the cable provider.** We sincerely appreciate a tax-deductible donation of any amount. No other print or broadcast media companies in metro Omaha or Nebraska duplicate our services, or our scope of operations, or our immediate access to as great or as diverse an audience.
