**Councilman Pete Festersen**  
**Omaha City Council**  
1819 Farnam Street, Ste LC-1  
Omaha, NE 68183

Hello:

With your election or re-election to the Omaha City Council there's an even greater need to consistently demonstrate a willingness to be accessible to your electorate! Plus, as you know, the general working public is typically unable to attend council meetings held in the afternoon. Most importantly, with regard to public access, CTI22 is your most accessible and most cost-effective ally in this regard.

At no expense\*, for calendar year 2009 and annually for the remainder of your term in office, we would like to regularly schedule and broadcast at least one or two 60-minute "District 1 Town Hall Meeting(s)," for you to provide instant information to and from the electorate in District 1! You can broadcast, "live" from the CTI22 studio, or we can broadcast a pre-recorded tape/DVD. For a modest cost, CTI22 can also record your "District Town Hall Meeting" at an on-site location within your District. **Please take advantage of this opportunity to directly interact with the electorate in your District regarding critically important local, state and national issues, and to receive their immediate feedback.**

Again, at CTI22, we uniquely established a standard to provide our diverse broadcast audience with immediate and regular access to elected officials, such as former City of Omaha Councilman Frank Brown, Learning Community Coordinating Council District 2 Representative Senator (Emeritus) Ernie Chambers, United States Congressman Lee Terry, Nebraska State Senator Brenda Council, and over the past 18 months we've broadcast more televised debates than all metro Omaha TV stations combined. The immediate access we've enabled between our diverse broadcast audience and their elected officials has consistently proven to be a dynamic benefit to everyone! Here at Channel 22 [501(c)(3)], we consistently demonstrate a commitment to freedom of speech and diversity.

So that we might promptly schedule your "District Town Hall Meeting," please respond at your earliest convenience.

Have a great day!

- Community Telecast, Inc, (CTI22), [IRS 501 (c)(3)] is the only minority-operated and minority-focused cable television company in the metro Omaha area and within 18 states. For our general operations we receive NO tax support from the federal government, State of Nebraska, or local government. \* We sincerely appreciate a tax-deductible donation of any amount.
- We proudly recognize the achievements of and broadcast more original, Omaha-based programming for African-American, Latino, Native American, Asian, other ethnic groups, *and* more faith-based programming *than all other metro area TV stations combined*. No other print or broadcast media companies in metro Omaha or Nebraska duplicate our services, or our scope of operations, or our immediate access to as great or as diverse an audience.
- CTI22 uniquely provides instant information to and from the diverse minority communities we serve through numerous "live" talk-back programs – programs broadcast throughout metro Omaha, and the Community Calendar, **public-accessible** to all of Omaha!
- We believe it's a good thing to inform and educate persons who ultimately wield ownership or control of every facet of American society - who are not minorities and typically unaware of achievements by minorities - that minorities share their same commitment to success!
