Hello, Chief Hayes:

Trip,

As you may have seen, I will be retiring on August 13th. I will pass along your information and my support of the concept of an OPD broadcast to my successor.

Eric

Given the recent city council elections and the retirement of Chief Buske, we thought it best to wait a few months and give the new leadership time to settle in.

Again, CTI22 welcomes an opportunity to broadcast a positive showcase of the Omaha Police Department - at no cost. As stated previously, OPD will have final-cut over the broadcast, with pre-and-final approval by the Omaha Police Department, including legal review and approval by the Office of the City Attorney. CTI22 will not broadcast any OPD program without prior approval from OPD. CTI22 can broadcast a weekly, monthly, quarterly or special event programs.

At your immediate convenience, I would like to meet with you, this week if your schedule permits, to discuss and plan the proposed program. A sample program schedule is attached for your review.

Please respond at your earliest convenience. Have a great day!

Trip Reynolds,
General Manager, CTI22

- Community Telecast, Inc. (CTI22), [IRS 501 (c)(3)] is the only broadcast cable television company in the metro Omaha area and within 18 states to focus on diversity. For our general operations we receive NO tax support from the federal government, State of Nebraska, or local government. * We sincerely appreciate a tax-deductible donation of any amount.
- We proudly recognize the diverse achievements of and broadcast more original, Omaha-based programming for African-American, Latino, Native American, Asian, non-minority, and other ethnic groups. Plus, CTI22 broadcasts more original, Omaha-based, religious programming than all other metro area TV stations combined. We broadcast more original programming involving elected officials than all other metro area TV stations combined. No other print or broadcast media companies in metro Omaha or Nebraska duplicate our services, or our scope of operations, or our immediate access to as great or as diverse an audience.
- CTI22 uniquely provides instant information to and from the diverse communities we serve through numerous "live" talk-back programs – programs broadcast throughout metro Omaha, including the Community Calendar that's **public-accessible** to all of Omaha!
- We believe it's a good thing to inform and educate persons who ultimately wield ownership or control of every facet of American society - who are not minorities and typically unaware of achievements by minorities - that all people share a commitment to success!
